RE: REQUIRED STUDENT SCREENINGS – SPEECH, HEARING AND VISION

Per the Ohio Department of Health, we are required to perform screenings for specific students as listed below; to assess speech, hearing and vision by November 1st. If your student is recommended for further evaluation as a result of these screenings, you will receive additional notification. Please note, if your student(s) recently enrolled, their results will be obtained via a records request from their previous school. All screening results will be filed accordingly. If you have any questions or require a copy of your students' screening results, please contact the school office. All screening types and students required to be screened are indicated below. Thank you.
